

Dear Potential Partner,

We would like to invite you to partner with Football FUNdamentalz 52. We have access to 1 million online views, and will give you that access for a cost of course, but one we feel that can be a win-win for your company. The exposure sites range from the Midwest, and south east. We will be heavily involved in educating kids of all ages on how your product will benefit them, send updates of your product through our list, and lead them through your sales channel. In other words, we are very involved in the partnership and ensuring you receive the sales attention you deserve.

Through our Alliance with Area Organizations, Schools, and businesses, we provide a fun, family-oriented atmosphere for young athletes to improve both individually and as a team through elite competition, elite training, and educational resources. Football FUNdamentalz 52 will promote football skills, education and leadership for all kids that appear at our camps, as well as weekly training sessions.

Football FUNdamentalz 52 is dedicated to the competitive nature of sports, as well as providing young athletes an opportunity to learn what it takes to play at the next level, become leaders in their community and succeed in their own individual lives.

Your company can participate in our program at various sponsorship levels, with attractive benefits for each. Custom packages can also be developed to fulfill your company's specific needs.

Please review our sponsorship packages and feel free to contact us if you have any questions. We are proposing sponsorships in the Dallas, TX and Greensboro, NC markets, with plans to expand throughout the US. With your generous assistance, you will be helping Football FUNdamentalz 52 make a difference in the lives of our leaders of tomorrow.

Thank you in advance for your support and consideration.

Sincerely,

Earl Rose
